WORKPLACE GIVING AUTHORISATION FORM

Little Wings is a not for profit organisation providing air and ground transportation for seriously ill children and their families from regional NSW to access specialist medical treatment at the Children’s Hospitals in major city centres.

Workplace Giving offers a long term and sustainable form of funding for our vital service, helping us to meet the increased demand for flights.

Little Wings is a registered charity and a Deductible Gift Recipient (DGR) which means that your donation is deducted from your gross salary thereby reducing your taxable income. Workplace Giving offers an efficient and tax effective way of donating by receiving your tax deduction at the time the donation is made and recorded by your employer in your payment summary.

We thank you for contributing to Little Wings Employee Giving Program. Your donation will enable Little Wings to assist more seriously ill children from regional NSW access the lifesaving treatment they need.
