ABOUT LITTLE WINGS

Little Wings is a not-for-profit that provides free, professional and safe flight and ground transport services for seriously ill children in rural and regional NSW, QLD and ACT. We are 90% Volunteered led organisation, with 100% of the pilots and 100% of the drivers all volunteering their time to make this incredible service available.

We strive to ease the journey and help children access specialised medical services and treatments that are only available in major cities or towns.

We do everything we can to support families by easing the financial burden, emotional strain and travel fatigue that they experience due to the long-distance travel associated with receiving vital medical treatment.

HOW YOU CAN HELP

Little Wings is interested in partnering with Milestone Hotel Dubbo to join the "Fuel Our Planes" Return And Earn fundraiser campaign. Our objective is to gather qualified drink containers that can be redeemed for a 10c refund under NSW's Return And Earn container deposit scheme. This initiative provides an excellent opportunity to participate in recycling, diminish litter and generate funds for Little Wings Australia to help families in need.

HOW IT WORKS

Step 1.

Nominate your business kindly agrees to participate in the fundraiser.

Step 2.

Little Wings delivers two Little Wings branded recycling bins to your business, to commence the fundraiser.

Step 3.

When the bins are full, contact your local depot for a free collection. Little Wings will notify you business of the donation.

Step 4.

Take photos and videos and tag Little Wings in your social media posts. We love to celebrate your kindness.
